AN INSURANCE BROKER WHO UNDERSTANDS PRODUCTION

Taylor & Taylor provides insurance solutions specifically designed to meet the insurance needs of motion picture and television production companies as well as the individuals and businesses that supply these companies with equipment, goods and services. Our offices are located in New York City and Sherman Oaks, California and are staffed with insurance professionals who know your business and can help you evaluate all of your insurance needs.

We pride ourselves on always doing what is best for you whether you are a long standing customer or perhaps are about to become one. Our agency has years of experience with Entertainment, Photographic & Communications related businesses. This experience allows us to develop insurance protection that addresses the risks that are unique to your business.

We are active members in various trade organizations. As members in these industry groups, we are able to witness first hand when changes occur in how your business is conducted and develop insurance solutions that will address these new exposures. It is our attention to these details and knowledge of the specifics of your industry that differentiates us from our competitors.
